

### REMARKS

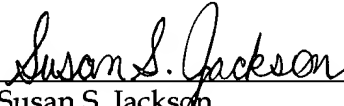

In order to be fully responsive to the restriction requirement, Applicants cancel withdrawn claims 83-108 without prejudice or disclaimer. Applicants reserve the right to file a divisional application(s) on said claims.

On page 2, paragraph 3 of the Office Action, Claims 116-119 were rejected under 35 U.S.C. 103(a) as being unpatentable over Murano, USPA 2002/0108708, ("Murano"). Applicants contend that the rejection is moot in view of the cancellation of claims 116-119. Accordingly, Applicants respectfully request reconsideration and withdrawal of the rejection.

The Examiner has indicated on page 5, paragraph 4 of the Office Action, that claims 1, 4-82, 109-115 and 120-136 are allowed.

In view of the foregoing, it is respectfully urged that the present claims are in condition for allowance and reconsideration is requested. An early notice to this effect is earnestly solicited. Should there be any questions regarding this application, the Examiner is invited to contact the undersigned at the number shown below.

Respectfully submitted,
